Join your Lex Mundi colleagues for dinner at [Oceana](#). Sixth Avenue to the East, and 49th Street to the North, the new Oceana is more generous in both space and menu offerings, making the innovative

seafood cuisine of Chef Pollinger available to the broadest possible audience. "The way our menu is constructed, with composed dishes as the heart and soul, and simply prepared daily offerings and whole fish to round it out, I can buy the freshest seafood on a whim, or I can shop the Farmer's markets, and then create dishes for the menu spontaneously, or feature great ingredients on their own. This combination of menu offerings is the goal, the dream, of every chef."

*Dinner is included in the registration fee.
